Dear April Watson:

On behalf of those who benefit from your efforts in this time of need, I wholeheartedly thank you and the members of Association For Women Attorneys for your recent donation. Your commitment to this project is integral to the mission of the food bank. Your dedication to community service is greatly appreciated and Second Harvest Food Bank is pleased to be the beneficiary of your efforts.

Your donation yielded **84 pounds of food**. This translates to **70 meals** served to people who otherwise might have gone hungry. All of this food becomes part of our Food Distribution Program, which provides at least a three-day supply of food to people and families in temporary crisis, as well as victims of natural and manmade disasters.

Thank you again for choosing Second Harvest Food Bank as the recipient of your efforts. I look forward to working with you again in the future. If you have any questions or would like to speak with me for any reason, please do not hesitate to call.

Warmly,

Tracey B. Oswalt
